J/R KONA ACQUISITION, LLC

The proposed draft permit will expire on midnight five (5) years from the date of issuance.

J/R Kona Acquisition, LLC is proposing to construct a 250 stall parking lot as well as two2 new concrete driveways on the west side of the property to service Big Island Honda. Construction activities associated with the Project include: demolition; clearing; grubbing; grading; the installation of drywells and catch basins; the installation of concrete curbs, gutters, and walkways; and the paving of asphalt areas including the parking lot and roadway easement. The proposed Project is located at 75-5608 Kuakini Highway, Kailua-Kona, Hawaii.
